Portal Descriptions

Organizer ID Check: This portal is designed for event organizers to log in by checking their IDs. After the ID is submitted, the interface displays an error message if there's a problem with the processing, indicating potential validation or server-side issues.

Your Tasks

Welcome to Farewell 24' Event Homepage: This is the main homepage for an event called "Farewell 24". It includes a countdown to the event, a login section where attendees can log in by entering their credentials, and a role selector to specify if they are organizers or general participants.

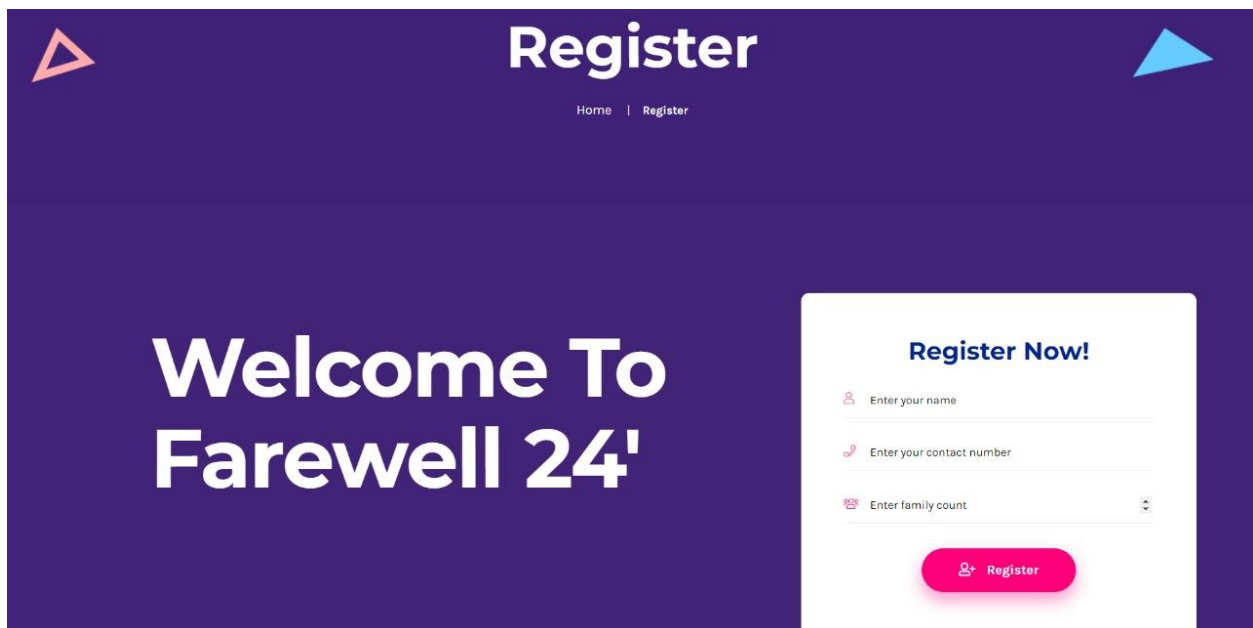

Organizer ID Check with Task Assignment: Similar to the first, this portal allows organizers to enter their ID, but upon successful entry, it displays assigned tasks to different team members, such as budgeting and decoration, facilitating task management and delegation.

The screenshot shows a web portal titled "Organizer ID Check". At the top left is a small logo with a yellow 'e'. Below the title is a text input field containing the number "2", followed by a pink "Submit" button. Underneath, the heading "Your Tasks" is followed by a sub-heading "Tasks". A list of tasks is displayed, each on a new line: "Budget - Assigned to: Arisha", "Decoration - Assigned to: Jawad", "Invitations - Assigned to: Hassan", "Budget - Assigned to: Batool", "Decoration - Assigned to: Minahil", "Invitations - Assigned to: Momina", "Budget - Assigned to: Maryam", "Decoration - Assigned to: Muneeb", and "Invitations - Assigned to: Hadi". A vertical scrollbar is visible on the right side of the task list.

Event Registration Page: This page is designed for attendees to register for the event. They can enter personal details such as their name, contact number, and family count which might be required for event logistics and planning.

The screenshot shows a registration page with a dark purple background. At the top, the word "Register" is written in large white letters, with "Home | Register" in smaller text below it. On the left, the text "Welcome To Farewell 24'" is displayed in large white font. On the right, there is a white registration form titled "Register Now!". The form contains three input fields: "Enter your name" with a person icon, "Enter your contact number" with a phone icon, and "Enter family count" with a family icon and a dropdown arrow. Below these fields is a pink "Register" button with a person icon.

Menu and Voting Page: This page allows attendees to view a menu and vote for their favorite dishes. This feature could be used to decide on the event's final menu based on popular choice, enhancing attendee engagement.

FIRST DAY
14TH MAY 2024

CS Lawn 6.30 - 10.30 PM

Farewell Batch 2024

As we embark on new journeys and paths, it's with a mix of emotions that we bid farewell. While farewells can be bittersweet, they also mark the beginning of exciting new chapters in our lives. As we part ways, let's take a moment to reflect on the memories we've shared and the bonds we've formed.
